get **sleeveless ready**
in 5 days with Dove®
Ultimate Clear deodorant.

Dove® Ultimate Clear deodorant helps you achieve softer, smoother, sleeveless ready underarms in only 5 days. The anti-perspirant/deodorant uses 1/4 translucent moisturizers and cares for delicate underarm skin by alleviating irritation caused by shaving. This invisible solid also alleviates worries about white marks by staying on skin, not on clothes. Like all Dove® deodorants, Dove® Ultimate Clear provides 24-hour odor and wetness protection.
