

## THE POWER TO BOOST YOUR HEALTH AND ENERGY\*, AND THE FIGHT AGAINST BREAST CANCER.

Actress Liv Tyler, her mother Bebe Buell and grandmother Dorothea Johnson, teamed up with Emergen-C to raise awareness for this important cause.

“As a young mother, taking responsibility for my own health has never been more important. Taking Emergen-C has always been a part of my daily routine. As a working mother always on the go, it is the perfect way for me to get my daily dose of vitamins and minerals, and it tastes delicious!! My mother, grandmother and I feel so lucky to be a part of this special new Emergen-C Pink initiative to help inspire breast cancer awareness and to provide support to women of all generations.”

- Liv Tyler

Fifty-percent of Emergen-C Pink's profits will be donated to empower the fight against breast cancer through the Keep A Breast Foundation.

Find out more about their mission to help eradicate breast cancer by educating young people on methods of prevention and early detection at [www.keep-a-breast.org](http://www.keep-a-breast.org).
